

REMARKS

A substitute specification is attached hereto. The substitute specification is virtually identical to the specification as filed and no new matter has been introduced. The purpose of the substitute specification is to include: (i) a Related Application section to claim benefit of an earlier filed application in accordance with 37 CFR 1.78; and (ii) paragraph numbering. Additionally, in this paper, the claims have been amended in accordance with current regulation.

Applicant requests entry of the specification and the amendment of the claims.

Respectfully submitted, .
